## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach nor suggest, in the claimed combination, a magnetic switch for a starter with "a link member connected to the other end of said plunger and disposed outside said switch case, said link member having a pair of arms which axially extend along radially opposite outer surfaces of said switch case; ... wherein said switch case, said exciting coil and said plunger respectively have elliptic cross sections, and wherein said link member is disposed so that the pair of arms thereof is disposed to extend along the minor axis of the elliptic cross sections and is movable in the axial direction of said switch case along the outer surface thereof."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bernard Rojas whose telephone number is (571) 272-1998. The examiner can normally be reached on M-F 8-4:00), every other Friday off.
